Here Are Their Names and Where They Are Going.

A Directory Made Up by "Evening World" Young Men.

It Was a Big Undertaking, but Here It Is.

A LONG LIST OF REMOVALS.

With a tolerable degree of regularity May Day brings May flowers and May-baskets in the country. In the city it surely brings the annual moving.

For a week past all over New York household gods have been getting up and shaking themselves preparatory to their transfer to new locations and to-day the idols and their worshippers are on the way.

The history of moving day has never been raced. It comes year by year, and people move out and in, for one reason and another, so that its observation always increases in scope. A collection of the reasons for these movines would form a rare assortment of points for the student of human nature and its eccentricities.

In a city of New York's character and ex tent the loss of really valued friends is an almost unavoidable consequence to anybody who moves any considerable distance from his old habitation. If a man walks daily over a certain route, he gets among strangers when he varies that route by a block. Then if he moves his dwelling a block or a mile he enters an entirely new scene of life.

He has told a friend or two where to look for him if he has himself known the new place long enough, but he couldn't tell them all and he couldn't leave a card on his old door, and-well, he's'moved and that's all.

THE EVENING WORLD has taken a good deal of inquisitiveness to itself in this moving matter for the spring of 1888. It has asked a great many people whence they would move and where, and the results, in long columns of answers, are presented to-day,

To gather this list Evenino World report ers have canvassed assigned districts in person, and to the collection of names and places which they brought in was added the addresses which came on the blank forms printed in the paper's own columns.

The arrangement of the names after they were gathered was a task not at all slight and one severely testing THE EVENING WORLD'S staff as a directory corps. How well the test has been sustained the formidable list of movers is left to show. It represents a piece of work never before attempted by a New York newspaper.

It was not to be expected that this work would be accomplished without meeting the omnipresent man with a joke. The humorist had his swing with the blank forms cut from the paper. On one of these was soberly presented the name of "Diss Debar, Ann O'Delia." with a notice of removal from The Tombs to the Penitentiary." Another thus declared: "Hewitt, A. S., from 1121 Battle Row to 1010 Hell's Kitchen." The latter is respectfully referred for further verification, while THE EVENING WORLD goes on to tell what it has learned of the May-Day shifting of the masses.

DR. B. HOFMEISTER

Rend Before the Medical Society of London a Paper on the Use of "CARLSBAD WATER," of Which the Following is an Abstract : In speaking of those diseases in which the use of Carlshad Water is indicated I will confine myself to those in which evidence is given for thoroughly established use-

First are to be mentioned diseases of the stomach. among them and above all the true Chronic Catarrial Inflammation, with substantial changes of the mucous membrane, with ulceration and gathering of stringy and

often somewhat offensive mucus.

The unnatural motions of the stomach causing pressure and beachings, the irritations of the intestines reciting in catarrn of the bowels, and the inflamed mucons membranes are the most fruitful of all known causes of disease. Out of them grow most kidney and liver troubles, diabetes, all rheumatic affections and gout. These found that the unnatural motions of the stemach cease, the intestinal troubles become soothed, and health results from the use of Carlabad Water. The diuretic effect of this water, its quiet action upon the lining of the stomach, and its healing power upon the inflamed intertines are beyond all praise. GOUT is well recognized as arising from excess of urio acid in the blood. This theory is supported by the FAV-ORABLE ACTION of the Carlebad Waters. Dr. Lustig.

of Teplitz, issued a pamphiet wherein he recognized the great efficacy of Carisbad Waters in RHEUMATISM. both acute and chronic, when taken COLD. Carlabad Water is in no sense a mere purgative, as most people believe, but it is an alterative and eliminative ramedy, which dissolves out tenacious bile, allays irrita-tion and removes obstructions BY AIDING NATURE, and not by sudden and excessive stimulants as most esthartic remedies do. Its action is certain, and a cure when effected is permanent. Not infrequently petients have to use the Sprudel Sais, in addition to the water, as

Beware of imitations. The genuine is bottled under the supervision of the city of Carlabad.

Kach hottle has the seal of the city and the aignature of "Eisner & Meudelson Co.," sole agents, 6 Barciay St., New York, on the neck of the bottle.

A RUINED LIFE

VERVOUS, GLOOMY AND DEPRES THE STORY OF THOUSANDS.

A Silver Lining to the Cloud.

Nothing in life causes such misery as having spent a dissipated or imprudent youth. How many men we see who are blessed with the abilities and who should be in the primary vigorous manhood, walking along the street with their heads bent, their cheeks sallow their eyes lustreless, utterly without er ambition, or purpose in life, their whole or istence one of perfect misery, and their aver gait and movement telling only too plain that they have, in the words of Byres,
'spent their aummer ere 'twas May,' The
cases of such men are certainly pitiable, but

they are not hopeless, because Dr. Greene Nervura Nerve Tonic is daily restoring thousands of debilitated men to all their wonts vigor. Debility and nervous and physics exhaustion simply mean a loss of nerve power, and as Dr. Greene's Nervura Nerve Toma acts directly on the nerves and strengthen them as no other medicine does, it supplies this lost nerve force and cures the worst can of debility and physical and nervous exhan tion and makes the once debilitated man for as he has not felt since he was elimbing tree in boyhood. Despondency, that fearful feeling, that indescribable dread of some coming evil, we know not what, that most distress ill that flesh is heir to, which robs life of a its pleasures, which makes society irksome has its origin also in the loss of nerve fore Despondency is generally accompanied with insomnia, that fearful scourge, which keeps us awake the livelong night. It is difficul to imagine a more pitiable being than the may who feels debilitated and utterly exhausted during the day, who knows he is unable to face the duties of life, who is the victim all sorts of gloomy forebodings, and who, when he retires at night, retires only to pass the hours in that black despair which only those who have insomnia can ever realiza-How fortunate it is that all these terrible evils, despondency, insomnia, debility, and nervous and physical exhaustion,, are easily cured by Dr. Greene's Nervura Nerve Tonia Every day we meet men, once victims of physical excesses, who were weak, nervo and utterly exhausted and their days harass by despondency and exhaustion and their nights passed in the agony of insomnia, no completely restored to health, joyously tell ing every one that they owe their recovery t that great vegetable remedy, which has been so aptly termed Nature's Restorer, Dr. Greene's Nervura Nerve Tonic. This gree remedy, which, as one of our most eminer scientists has said, should be in every house hold in the land, can be had of all druggist for \$1.00 per bottle. It was discovered b Dr. Greene, the famous lecturer and specis st on nervous and chronic diseases, who ea be consulted at 35 West 14th st., either per sonally or by letter, free of charge
